

# Fiber Submission Form

Olympic Yarn and Fiber Mill

[olympicyarnandfiber.com](http://olympicyarnandfiber.com)

## Customer Information

Name \_\_\_\_\_

Phone \_\_\_\_\_ Updates via text messages? **Y** **N**

Email \_\_\_\_\_

### Instructions:

Print this form, complete the information, and submit it with your order.

Complete a separate form for each yarn that will be processed.

If you are sending fiber for more than one product, clearly label which bags are for which products.

## Fiber Type(s) and Quantity

NOTE: Minimum raw fiber submission is 9 pounds for alpaca to make 100% alpaca yarn  
If submitting raw sheep wool to blend, remember that wool typically will lose 40% of its weight after washing.

Fiber Type	Breed (if known)	# of Bags Submitted
Alpaca	Huacaya	_____
	Suri	_____
Other	_____	_____
	_____	_____

## Desired Yarn Weight and Ply (circle choice)
